ART OSAKA 2018

6 fri - 8 sun July 2018

ART OSAKA 2018 will hold its 16th installment, on the weekend of July 7th and 8th (preview on Friday, July 6th) on the 26th floor of Hotel Granvia Osaka. The venue is directly accessible from JR Osaka station.

ART OSAKA is one of the biggest art fairs in Japan with a focus on contemporary art. This year, 54 galleries will participate, from both Japan and abroad (21 from the Kansai region, 26 from the non-Kansai regions, 3 from Taiwan, and 4 from Korea). 4 galleries will participate in ART OSAKA for the first time. 68 hotel rooms will be turned into exhibition booths.

This year as a new trial, we will set up "U-35 Sections", holding solo exhibitions, introducing upcoming artists exclusively under 35 years old. In "Exhibition PLUS", participating galleries will hold solo exhibitions of their represented artists. Individualities of the presented artists and their works will surely make the fair dynamic. During the fair period, "Best Presentation Award" will also be presented, voted for by the fairs' guests.

We sincerely hope that you will come and join us at the annual art festival, ART OSAKA 2018, and enjoy involving yourself in the contemporary art world through collecting artworks and voting for the award.

TALK EVENT

“Reconsideration: Art Scene in 1980s” (Japanese only)

Guest Speaker : Masahiro Yasugi (Head researcher at the National Museum of Art, Osaka)

Moderator : Yoshio Katoh (President of Contemporary Art Planning KATOH YOSHIO OFFICE, ART OSAKA Committee)

Dates : 7th(Sat) July 14:00-15:30

Venue : Hotel Granvia Osaka, 20th floor, Crystal room

Entrance : Free (The fair entrance,1500yen, is needed.)

In the 1980s, Modernism came to the end and the Postmodernism era began. In the era of cultural globalization that came along with the arrival of Postmodernism, art parted from the Modern art tradition and brought forth Postmodernism. One of the important characteristics of Postmodernism is its remarkable diversity. Contemporary art in Japan went through “Gutai” and “Mono-ha” and entered the Post Mono-ha era, and in the late 1980s it demonstrated a diversity which had never seen before.

This year, exhibitions themed ‘Japanese art of the 1980s’ have been held all over Japan, and the National Museum of Art, Osaka will hold an exhibition “New Wave: Japanese Contemporary Art of the 1980s” this November. Mr. Masahiro Yasugi, the curator of this exhibition, will talk about the fascinating aspects of art in the 1980s from the curator’s point of view.
