ART OSAKA 2022

6 wed - 11 mon July 2022

The contemporary art fair, Art Osaka 2022, is now in its 20th year running, and will be held from July 6th (Wed) to July 11th (Mon). Art Osaka is the longest-running art fair in Japan, and has become known to all as an event to witness the growth of young and center-stage artists. The event will continue to be held at Osaka City Central Public Hall (a nationally designated important cultural property), and also expanded into a new venue, the Creative Center Osaka (a designated heritage building for industrial modernization) in Kitakagaya, an area full of art studios. Art Osaka brings together art in both the culturally active Nakanoshima area with its newly opened Nakanoshima Museum of Art, Osaka, and the liberal, tolerant area of Kitakagaya; we hope you will come and enjoy the expanded fair and the chance to explore the greater Osaka.
