Art in CASO / OSAKA

24-27 NOVEMBER 2005

Art in CASO 2005: ART / LIFE / SCENE

"ART in CASO" a contemporary art fair in Osaka that has grown in recognition, was first held in 2002 and continued in the year 2003. The third "ART in CASO" is being held after a two year renewal period and is a step forward in presenting a truly magical art fair.

13 galleries will be participating in this year's fair, with ART / LIFE /

SCENE as the keywords for a chance to come close and experience real art.

There will also be a food and drinks booth to enjoy as well as events to provide a chance to experience new things.
