

ART OSAKA 2010

9 FRI - 11 SUN JULY 2010

We are pleased to announce that "ART OSAKA 2010", now for the 8th time, will be held at the DOJIMA HOTEL from 9th to 11th July.

ART OSAKA has developed an excellent reputation as an art fair where you can see and buy good quality works of art by both internationally established artists and also newly emerging artists. This success has been due to the participating galleries who have upheld the importance of the social act of introducing excellent quality art to the public, alongside regular business activities.

47 galleries are selected not only from Japan but also from Asia (29 from the Kansai area, 13 from Tokyo, 2 from Nagoya and 3 from abroad) for ART OSAKA 2010. This year highlights a new project: the "Solo Exhibition", and the 23 exhibiting galleries plan to show their artists in a one-person show format. This program will emphasize a strong impression of the solo exhibited artist as well as adding a unique face to the fair's personality. Furthermore, the 24 galleries will show several artists together in the "General Exhibition" providing a substantial depth of content seen through the gallery director's eyes.

We expect ART OSAKA will grow stronger in exhibition content than ever before and will also continue to grow as a remarkable platform for the contemporary art scene in Asia. Please you will discover your favorite art work !
